## DIRECTIONS TO QED

**To use your SatNav to bring you here use the postcode B29 6PB**

### **FROM M6 HEADING INTO BIRMINGHAM**

- Leave the M6 (North or Southbound) heading into Birmingham on Junction 6 (Spaghetti Junction).
- Take the A38 toward Birmingham City Centre. We are actually just off the A38 the other side of Birmingham so stay on that road for about 5 miles.
- You will go over an overpass and then under 3 tunnels. Coming out the other side you will still be on the A38. Stay straight on.
- When you see Selly Oak Railway Bridge you are nearly here. Go under the bridge, past Aldi's.
- Look out for Sainsbury's. There is a right turn only filter lane. Take that and turn right to the A4040.
- Keep left and take the first left into Gibbons Road
- Take the first left into Frederick Road. We are the last building on the left at the far end of Frederick Road.

### **FROM M42 or M5**

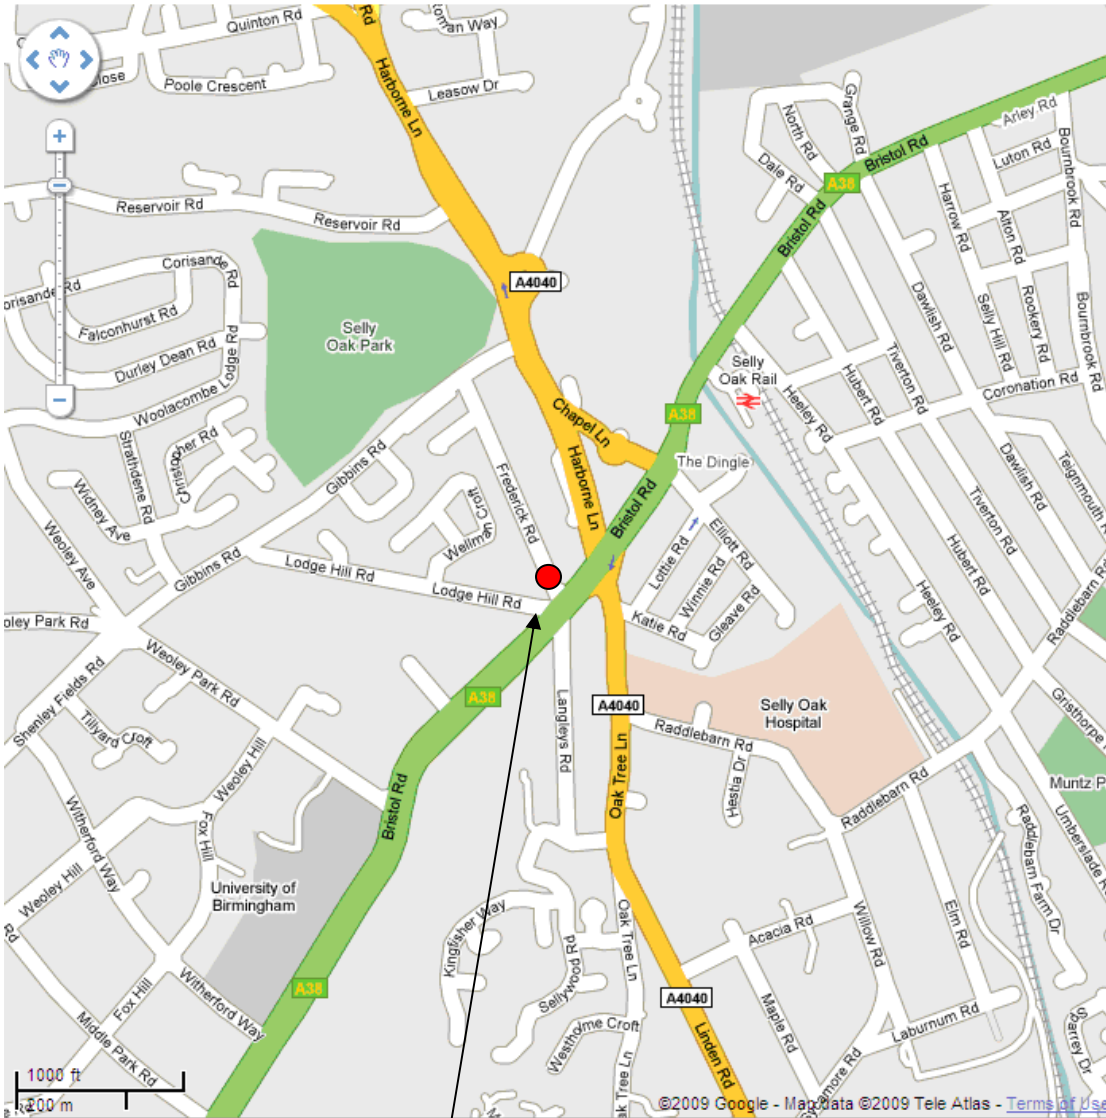

- Leave the M42 at Junction 2 and the M5 at Junction 4. You are then on the A38 heading toward Birmingham City Centre.
- Stay on the A38 for about 5 miles.
- There are several roundabouts but just keep heading toward Birmingham City Centre A38. You will go through Longbridge. (Big redevelopment sites and retail Park) It is then about 3 miles.
- As you approach the turning on the left hand side you will see a large Marston's Pub – The Bear and Staff. Prepare to turn left at the next junction – a large set of traffic lights. (You will see Sainsbury's in front of you on the left. You turn before there).
- Keep left and take the first left into Gibbons Road
- Take the first left into Frederick Road. We are the last building on the left at the far end of Frederick Road.
